
Woodmont Recreation Association

PO Box 3532 ▪ NORTH CHESTERFIELD, VA 23235

Dear Woodmont Recreation Association Member:

Enclosed you will find the 2019 membership application, fee structure and payment options. **As in previous years, if payment is made in full by April 30, 2019 you will receive a discounted membership and five (5) guest passes.**

Please note we have increased the membership fee by \$5 this year for all membership classes.

This year we will continue the Membership Volunteer Obligation Program (MVOP) with “sweat equity” of five (5) volunteer hours per “Family of 2+” membership and two (2) volunteer hours per “Family of 1” membership. **However, a new incentive this year is you will receive double the hours (two (2) hours credit for one (1) hour worked during the opening of the pool weekends only. The WRA Board member in charge will decide which days grant double credit, but the first opportunity is 3/16/19).** As we did last year, members will pay the MVOP fee as part of membership dues with a separate check (post-dated to September 15, 2019). When the volunteer hour commitment has been fulfilled, we will shred your un-cashed check and notify you via email within seven (7) days. Any checks remaining after Pool Closing Work Day (weekend after Labor Day) will be deposited. **Also, please note that we have increased the MVOP dues by \$25.** We hope this will add an extra incentive for you to jump in and get involved with our wonderful community, making Woodmont the best it can be, as we’d rather get your time than your money.

However, if you know that you are not planning on working volunteer hours, you can include the MVOP fee as part of your membership payment (no post-dated, separate check needed). Remember, if you have children on the swim and/or dive team, volunteer hours are required to staff meets and are separate from the MVOP hours. Also, snack bar workers are not considered for MVOP credit.

Finally, we are always looking for families and individuals who want to be a part of our Woodmont Community. If you have friends and/or family that join, make sure they mention your name and you can earn a five (5) guest passes referral bonus!

We are looking forward to a great summer at Woodmont Recreation Association! Check our FB page and email for membership events. See you at Traymore Road,

WRA Member Volunteer Obligation Program (MVOP)

The Woodmont Recreation Association is a wonderful family oriented organization where everyone takes pride in making it more than an outdoor pool. We believe we are a Community. It is also a non-profit volunteer association, which depends solely on membership dues and volunteer hours to support, manage, and benefit the organization.

Volunteer obligations are 'sweat equity' based. They allow us to keep our costs reasonable and ensure Woodmont Recreational Association remains functional, safe and financially secure.

Because of our limited resources, it is necessary to ask you to volunteer time in addition to your annual dues. **Any Woodmont member or guest over the age of 12 is welcome to use their time and talents in the MVOP program.** As an added bonus, middle school and high school students that volunteer can also apply those hours to their community services requirements at their home school.

IMPORTANT: Please note that you need to report your hours worked to the board member in charge of tracking them. This will be done either via a signup sheet or via the email address can be found on the bulletin board at the pool. This will be the official tally of hours worked for MVOP. If you do not report your hours via signup sheet or email, then we will not count whatever hours you may have worked.

Again this year, we are asking you to write a check for the fees upfront (**post-dated September 15, 2019**), but your check will be shredded once the volunteer commitment is completed and you will receive an email with a confirmation.

The following outlines the volunteer expectation from each membership:

Family of 2+ Membership:	Five (5) Hours minimum
Family of 1 Membership:	Two (2) Hours minimum

PLEASE NOTE:

- For the initial work days where we get the pool ready for the summer, you will receive double the credit for the hours worked (i.e. work one (1) hour and get two (2) hours credit).
- A maximum of two (2) hours for a "Family of 2+" and a maximum of one (1) hour for a "Family of 1" can be earned by working the social events.

If you are not interested or able to volunteer and would prefer to simply pay the \$125/\$75 fee upfront that is perfectly fine as well. If this is your selection, your MVOP fee should be included with your membership fee check, rather than a separate check.

Please note, volunteer obligations requested as part of the Aquatics Programs (Swim and Dive Teams) are managed separately and are not part of the Membership Volunteer Obligation Program (MVOP)

Also note, the Snack Bar Volunteers are not either counted as part of the Membership Volunteer Obligation Program (MVOP)
